Firstly-A Goed Landing. The Missouri river at this point is compressed within a narrow space, the channel is remarkably deep on the Delaware side, and washes for a mile above and below, the Kansas shore, thus of below. thus affording at all times a safe and secure

Secondly-Timber in Abundance The tract of land on which the town is laid out, is covered with valuable timber, for building purposes, besides this, there is on the opposite side of the river a large bottom, heavily timbered with oak, asb and walnut.

Thirdly-Its Position. This town has on the Kansas side of the river supporting it, a large district of the very best With Hardware, Queensware, Pocket and Talands in the Territory, while on the opposite side of the river there is a large and fertile hot-tom, teeming with population. This bottom is of itself sufficient to sustain a town of large size. This is the most accessible point from which the Delaware nation of Indians can procure their supplies. Delaware is the nearest and most accessible point at which the country on the Kansas river can do their receiving and forwarding business. There are a great number of towns on the Kansas that will find it to their interest to make this place their shipning point, among them we would name Osowice. is of the very best kind, and their Carriages new and always in good order.

Callioun and others. As there is a good ferry at this point, emigrants traveling to Ransas Territory on the great State road from St. Joseph to St. Louis, will find that this is the proper soint at which to enter the territory, as by this eans they avoid a great deal of unnecessary

Health.

This location is high and commanding, hav-ing no stagnant water near to generate disease from its streets, there is presented to the eye a spended view of the Missouri river for miles vicinity presenting a view at once pleasing and

Every inducement will be given to mechanics to make Delaware the place of their choice. We ask each person to examine the place. The merchant will find on an examination, that I claware is obliged to command a trade not second to any town in the Territory; from such persons we ask an examination. In a word word we ask for Delaware an examination by
